OTHER INFORMATION

Cleanliness of kitchen and Miller Room - please take all remaining food, recyclable and rubbish items home with you after completing each, and every event. Leave only **clean empty** plastic bags in the grey table-top food bin and the floor rubbish / recycling bins. Keep us all healthy, wealthy and wise. Thank you.

Sunday morning refreshments - We are struggling to fill the Sunday Coffee Rota. Obviously, this is a very popular and worthwhile event (especially the custard creams) where we can all have a chat and meet each other. Please let Ellie know if you would like to be involved. The new Rota doesn't start until October, so you have a bit of time to think about it. It would be a pity to have some Sundays without tea/coffee and biscuits!

Can you help please? New volunteers urgently needed for our much-appreciated Transport Rota. We offer lifts to and from the 10.00am service to people unable to walk or drive. Passengers let you know when they plan to come. The next rota will run in August, September and October so please could you help out twice in the next three months to ensure that people can continue to come. I liaise with drivers to ensure the rota suits them and swaps are possible. We don't collect people in the snow or ice. Sometimes two drivers would be great so maybe you could be someone who can be called on if we have more than one carload, or if a driver is unwell. Thank you to our regulars on the transport rota.
