Your Safety, Fire Evacuation Procedure - In the event of fire breaking out in the Church, please follow the instructions of the duty Side-persons: -

- A warning will be given by klaxon or loud voice, please exit the building immediately through the main door in the Miller Room, or the door down steep steps in the Turton Chapel. One or both may be used dependant on the safe route.
- Go up the path leading to the village, or to the library steps, and assemble there, not by the main doors - this will ensure all people stay clear of the access routes for the emergency services.
- Wait for instructions before re-assembly in the Church.

A detailed **Fire Evacuation Procedure Plan** has been placed in the blue **Rotas file** at the back of the church. Please read and raise any questions with the Churchwardens, Side-persons, or other duty staff member.

Leaving the church – If you are the last person to leave the church after an event, please ensure: -

- The Miller Room lights are set to ‘Auto’ (the switch is on the wall between the door to the toilets & the main double entry doors),
- The toilet lights are all off,
- The kitchen bins are clear of all food and recycling for hygiene reasons, the door is locked, and key put in the key lock.

We have a schedule for opening in the morning and closing the church in late afternoon. Thank you all for keeping our church costs under control.
