Your Safety - Fire Evacuation Procedure

In the event of fire breaking out in the Church, please follow the instructions of the duty Side-persons: -

- A warning will be given by klaxon or loud voice, please exit the building immediately through the main door in the Miller Room, or the door down steep steps in the Turton Chapel. One or both may be used dependant on the safe route.
- Assist all those around you to leave safely and carefully, especially those whose mobility may be limited.
- Go up the path leading to the village, or to the library steps, and assemble there, not by the main doors - this will ensure all people stay clear of the access routes for the emergency services.
- Wait for instructions before re-assembly in the Church.
