The Loads We Carry

Autumn is nearly upon us and those of us who are often out and about dog-walking along the lanes and footpaths around Dormansland, will appreciate the need to carry various necessary items with us. We don't walk empty-handed.

At the very least we take some poo bags! Usually it's much more - especially in the summer months when I carry water for the dogs and myself, a ball and ball thrower, treats for good behaviour (for the dogs, not me...), dog leads, my phone in case of emergencies, and before I know it my backpack is full. The further I go the heavier it gets. Everything I think I need just slows me down.

And as September is upon us, so the children go back to school, weighed down by school bags crammed with books and PE kit a size bigger than the year before. Everything they need for just one day. And it's heavy.

I wonder what we are all carrying on our journey with God? What do we pack that God doesn't ask us to bring?

Pressure to make a difference, health worries, sorrow, pain for the world, bad habits, whatever is on our endless to-do list. We bring these problems with us to feel in control, but end up missing God's presence around us.

But God didn't make us to carry it all; every tragedy happening on every part of the world, every worry about the future, as if it were all on us. God calls us to compassion and action where we can make a difference but we are not called to bear the weight of the world's brokenness on our shoulders. That's what Jesus does for us through the

cross. He asks us to give our burdens to him and share the journey.

Take a moment today to imagine handing over the burdens that weigh you down to God, and let him carry them for you.

Hebrews 12:1

Therefore since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight and the sin that clings so closely, and let us run with perseverance the race that is set before us.

Dormansland Carnival
C I R C A 1 9 5 3

Saturday 12th July 2025 @ 1pm | Dormansland
Recreation Ground | Theme: **“Historical Carnival”**

What a great day! We hope you all enjoyed the day and were reminded how special Carnival day is for our village. The pictures featured on the inside cover give a flavour of the day & many thanks to Kim Andrews who took some amazing photos for us.

As you will have read in previous editions, we struggled to get new committee members and relied on ‘old hands’ to help us including our friends & families. For this reason we have decided to step down, at least for 2026, and hope that others will take up the challenge. Wouldn't it be sad if the lovely memories of July were to be the last :/

Again, we want to say A BIG THANK YOU!

We would like to extend a big thank you to those of you who came forward, as well as to all our local friends and businesses for supporting this year's Dormansland Carnival, especially our food vendors, those who have taken stalls, The Old House at Home for running the Beer Tent, DEWI for their continued support hosting the tea tent, the Baptist church for the art project and Blackberry Vets for providing the rosettes for the Dog Show and we're so sorry to have had to cancel but the dogs health had to come 1st.

Thank you also to the local groups and societies who entered floats in the procession, to those who volunteered their time, their services or a silent auction prize, and to everyone who advertised in the Carnival programme.

It's been hard work but a real pleasure to be involved in part of Dormansland history.

Signing off,
Ali, Kate, Mel & Andrena

And on that note...

**Your Carnival
Needs You!!**

After the sterling work of the 2025 Carnival team it would be very sad if this much loved community run event wasn't to continue :/

But with your help it will!

Many of the roles are purely admin based and wouldn't event planning look good on your CV?

Admin not your thing? Maybe you're creative and full of ideas to make the day extra special.

Not creative either? There's always jobs to do in the lead up to the day like popping up banners etc.

I propose to hold a meeting in the Parish Room on

Thursday 2nd October, 8pm

in the hope of creating a brand new team!

Thanks & I look forward to seeing you there.

There will be cake!

Any Qs please email editor@dormanslandvillagevoice.co.uk

Dormansland Parish Council

The Parish Council held its 282nd meeting this July, chaired by Cllr Keith Coleman under the Council's rotating leadership scheme. The meeting brought together Councillors, District and County representatives, and local stakeholders to discuss the progress and wellbeing of our village.

Infrastructure across the Parish remains a key priority as we work with District and County councilors. Resurfacing works have now been completed in The Meades, Newhache and Ladbrook Hurst, though works continue in Locks Meadow.

The Council has approved funding for a new Gateway sign at the junction of the High Street and Mutton Hill, it's designed to reduce vehicle speed entering the village.

Residents will be pleased to know that progress continues on the refurbishment of playground facilities, fundraising has continued over the summer months to raise money for the playground refurbishment. The crowd funding page raised over £500 and the name a teddy stall at the carnival was successful in creating awareness of the project and adding another £100 to the venture. The fundraisers are applying for further grants with the assistance of Tandridge District Council. If residents wish to make a contribution please contact the Parish Clerk.

The Neighbourhood Plan has reached several key milestones. Planning law enables communities to add additional policies tailored to their area, and this plan sets out Dormansland's vision.

If you haven't yet reviewed it, please visit www.dormanslandplan.co.uk or the Parish Council website. Leaflets have been distributed, and we were pleased to speak with many of you at our Carnival stall and our dedicated session on 19th July at the War Memorial Hall, which saw a healthy turnout. We were also delighted to see the BBC featured the consultation in a recent article.

Consultation on the Dormansland Neighbourhood Plan and the associated Design Code closes on **26th September 2025**. Comments may be submitted via email to parishclerk@dormansland.org.uk. Please see more details on following page.

If adopted, both documents will become part of the Development Plan and be a “material consideration” used by Tandridge District Council when determining planning applications.

Expenditure on grass cutting and weed control was also reviewed. The Council acknowledged their importance in maintaining village appearance—a point frequently raised in resident surveys alongside speeding.

Council members also reviewed Dormansland’s contribution to the Tandridge District Council Settlement Survey, submitting final amendments to ensure an accurate representation of local services and education provision.

Lastly, due to low turnout during the spring litter pick, Councillors agreed to postpone the next event until May 2026, aligning it with the National Litter Pick Day to encourage greater participation. For more information or to get involved, please contact the Parish Clerk or visit the Parish Council website.

Dates of upcoming Meetings:

- Planning Meeting. **Wednesday 3rd September 2025 at 18.00**
- Full Council Meeting. **Wednesday 3rd September 2025 at 18.30**
- Planning Meeting. **Wednesday 1st October 2025 at 18.00**
- Full Council Meeting. **Wednesday 1st October 2025 at 18.30**

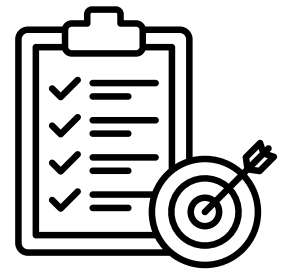

These meetings will be at the **War Memorial Community Hall – Plough Road**

Dormansland War Memorial Hall Open Day

Saturday 18th October

For many months now, the volunteer decorating team and others have been working hard on transforming what was the old bar area, into a large function room with space for all types of events to take place.

With a different uplifting decor and lighting, new carpet and a papered wall all done to a very high standard, the result is stunning.

We are so proud of what has been achieved that we would like to invite everyone living in the village to come and see this progress so far (and what is left to do of course!)

We are hosting an 'Open Day' on **Saturday 18th October** from 10.30am-4.30pm.

Please pop in & join us for:

- coffee/tea and cakes from 10:30am to 12 noon
- soup and a roll from 12 noon to 2pm
- Cream tea from 2pm to 4.30pm

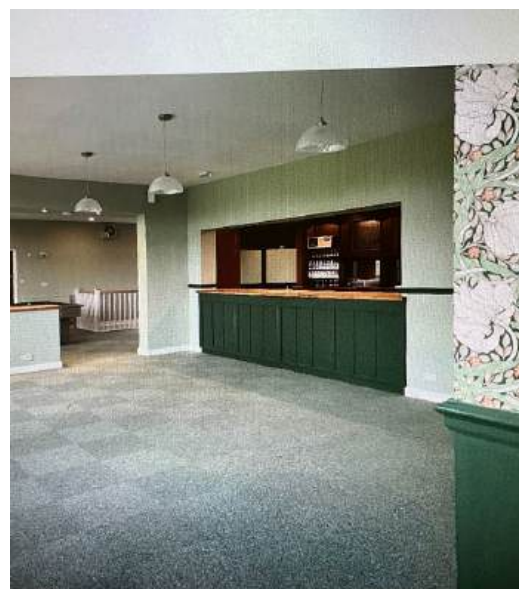

All for free!

There will be a colouring competition for children too.

With this timescale, we hope everyone will feel included and able to visit the wonderful asset which our village now has and see how we want to continue to improve it in the future, for the future. It is truly now becoming **"A hall for all"**

Tandridge Photographic Society

What Makes a Photograph Special?

Most photographs are special to the person who took them—capturing memories of people, places, and moments to share with family and friends. But some photographs go beyond the personal. They inspire others, make us laugh, provoke emotion, or tell a compelling story.

The first step to taking meaningful photographs is to ask yourself: “Why am I taking this picture?” This brief pause helps you reflect on what caught your eye, why you stopped, and how you felt in that moment. The answers guide your composition—what to include, what to exclude, and what truly matters. It’s not always easy, but it’s a skill that improves with practice and by learning from others.

The well-known saying, “It’s the photographer, not the camera,” holds true. Whether you’re using a high-end camera or your phone, the most powerful tool is your mind’s eye.

At Tandridge Photographic Society, our aim is to help all members enjoy and improve their photography—whether you’re a beginner, enthusiast, or expert. We offer inspiring talks from respected photographers, friendly competitions, and social outings designed to support learning and spark creativity. From wildlife to portrait, landscape to street, abstract to still life—there’s something for everyone.

You can explore members’ work at www.tandridgeps.org.uk. Our new season begins in September, and we welcome new faces. To find out more, contact us at chair@vtps.org.uk.

INSPIRING WOMEN

Dormans Evening WI is so much more than a monthly meeting!

Members meet up once a month in the Parish Room to listen to a speaker, spend time catching up with friends over a cuppa, and hear about future events.

But there is a lot more going on throughout the month where members can pick the events and clubs that interest them most. Recently, some joined other Surrey members on a weekend in Bristol which coincided with the International Balloon Fiesta. Others went earlier in the summer to Suffolk for a weekend camp. Members enjoyed two exceptional performances at Hever this summer: the world premiere of “Anne Boleyn the Musical” in August, and a Queen tribute the previous month. There was a recent visit to the glorious Sussex Prairie Gardens and members will be attending a literary lunch this month where Karen Swan, best-selling international author, will be speaking.

The Edenbridge & Oxted Show is an important part of the WI year; it is where the WI showcases its members’ many skills in craftwork and baking.

You are warmly invited to come along to our next meeting in the Parish Room on Thursday 11th September at 7:30, when Andy Thomas, the renowned speaker on “Histories and Mysteries” will be talking about Lewes – Bonfire Night Capital of the World. There is no charge for visitors.

WI provides something for all interests and is open to all women of voting age. Please come and share the friendship!

CLARIDGE
HOUSE

What a summer we've had at
Claridge House!

Wonderful to be at Dormansland Carnival
and gosh, weren't we fortunate with such
splendid weather?

The week after Carnival, on 19th July, was our Open Day. We were so heartened so many of you supported us, despite the weather. The open day was to primarily showcase what we offer at Claridge House, with free healing sessions and workshops, all of which quickly filled. Everyone delighted in our renowned vegetarian food with delicious lunch options and cakes, as well as explored the new cabin and meditation path etc.

Our full summer programme day and half day courses have been well attended – we are most fortunate to attract such experienced and varied course leaders with many from the local area – such as William de Wilde, Francis Standish, Emma Read, Padmapriya – our Buddhist teacher.

On the theme of supporting local, we stock many handmade crafts and gifts from local businesses and artists in our little shop. You are welcome to swing by and have a look, especially if you are looking for presents that are a little different, ethical and support wellbeing.

On a more sombre note, thank you to the Lingfield and Dormansland parish churches as well as those who came out to support the silent vigil around the Peace Pole on the 6th August to mark the 80th anniversary of bombing of Hiroshima – something we do every year at Claridge House.

With the prospect of Autumn ahead, it is a good time to take stock, reassess, meditate and reflect ... please keep an eye on our website as it's constantly updated with many new exciting offerings, including free options, too, like our Introduction to Buddhism evenings running over 6 weeks from the 3rd September and Meeting for Worship is open to all - Sundays 9:45-10:45am.

We look forward to welcoming you.

Kate & the Claridge House Team

Golden Charter 
Smart Planning for Later Life

Alex Jones Funeral Directors Limited is an appointed representative of Golden Charter Limited trading as Golden Charter Funeral Plans which is authorised and regulated by the Financial Conduct Authority (FRN:965279).

Our recent meetings have taken us outside!

In July we enjoyed a 'bring & share' picnic in the beautiful garden of a DEWI member, Joy. A truly stunning garden and we all picked up tips from Joy & Justin.

In August we took to the footpaths for our annual ramble finishing back at a

member's garden for drinks and food made for us by Fat Will's Burger Co. Everyone agreed the burgers were amazing!

Did you see us in the Carnival? We celebrated the 1940's Land Army complete with a Joan Deere tractor on our float. We were also lucky enough to have a lovely orange tractor called *Lynette* to pull our float that was driven by our very own Lynnette! Thank you to all our lovely members who contributed to the day... float making, getting dressed up, contributing to our sweetie tombola & manning the stall. We were very happy to win Best Float in the procession.

Kim Andrews

Several of our members are entering the arts, craft & cookery classes at the Edenbridge & Oxted show. Did you pop into the WI marquee? There's always a fabulous display from the talented ladies from Surrey WIs.

Our next meeting will be held on **9th September** where we will have a talk about the life & work of Florence Nightingale.

Our full meeting schedule and more information about our subgroups (which are exclusive and free to all members) are available on our website.

The YWI Dormansland meets at the Parish Rooms in The Platt at 8pm - 9.45pm usually on the 2nd Tuesday of the month and we always welcome new members. If you are interested in becoming a member, or would like more information, please drop us a line at the email address below. If you have not been a member before your first meeting is free.

From the Editor

It's looking like we will be having an early autumn as the trees are already beginning their winter prep and looking to preserve water. Isn't Mother Nature clever!?

It was lovely to see so many enjoying the Carnival day. Having been brought up in Croydon it makes me appreciate the great community we have here. Let's hope that community spirit will shine through and that they'll be lots of volunteers to make a new team to lead the event next year!

Copy date for the **October** edition is **Monday 15th September**. I look forward to hearing from you with your events or anything you think may be of interest to you fellow residents..

Our next update from Theresa will be in the October edition. When she'll have news of a surprise visitor perhaps?
