OTHER INFORMATION

Parish Giving Scheme – A reminder about giving to our church. The process is: -

- Go on-line to www.parishgiving.org.uk,
- Search for St Peter & St Paul Lingfield, use our PGS code of **370637125**,
- Tell Mike Ellis, our Treasurer, of your decision to move to PGS,
- Only cancel your current standing when your PGS becomes active.

PGS provides the automatic monthly transfer of all St Peter & St Paul PGS donations back to our bank account, and the return a few days later of the HMRC repayment of the applicable gift aid. You can change your payment at any time.

Please use this scheme, presently our system involves valuable time by our Treasurer and Stewardship team in manually chasing HMRC for your gift aid of 25p in every £1.00 made. Thank you all.

Gift Aid – if you have not linked to your church donation to Gift Aid and you normally pay tax, please complete a form available from Sue Ellis by email.

Donations to the Church account - Use our new **SumUp machine** for easy payments with your debit, credit or smartphone. Press the payment amount on the front and hold your card or device on the top. Very simple and quick. We encourage to Gift Aid your donation, again by completing the details on the interactive screen. The card reader will be available on the sides-persons table, assistance will be gladly provided.

Large print hymn books – We need to purchase four large size hymn books to add to our current collection for services. They cost £28 each and we are requesting sponsorship. Please use our email address, phone or call in to the vestry, to let Ellie know if you are willing to cover the cost, thank you.

Can you help please? New volunteers needed for our much-appreciated Transport Rota. - We offer lifts to and from the 10.00am service to people unable to walk or drive. Passengers let you know they plan to come. The next rota will start on July 31, and finish at the end of January. Most people offer several dates over that period but even a couple of lift offers would relieve the pressure. I liaise with drivers to ensure the rota suits them and swaps are possible. We don't collect people in the snow or ice. Sometimes two drivers would be great so maybe you could be someone who can be called on if we have more than one carload.

Thank you to our regulars on the transport rota.
